

REGISTRATION FEES

	Local Participants (RM)	International Participants (USD)
Early Bird (before 15th January 2008)	450	250
After 15th January 2008	500	300

Registration fees should be made payable to:

REGISTRATION FORM

Personal Particulars

Name: _____

Title: Prof Dr Mr. Ms

Affiliation: _____

Mailing Address: _____

Phone No: _____ Fax No: _____

Email: _____

Accompanying Person

Name: _____

Hotel Reservation

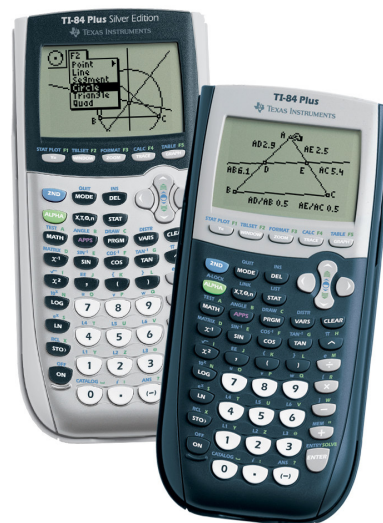

Please reserve for me hotel accommodation at The Grand Seasons.

- Single with 1 buffet breakfast (Superior Room : RM160)
- Twin sharing with 2 buffet breakfast (Superior Room : RM180)

Arrival Date: _____ Departure Date: _____

Total No. of Nights: _____

Please complete the registration form above and send it with payment to the Conference Secretariat.

THE 3rd NATIONAL CONFERENCE ON GRAPHING CALCULATORS (NCGC 2008)

Date: April 16–18, 2008
Venue: Grand Seasons
Hotel, Kuala Lumpur

THE 3rd NATIONAL CONFERENCE ON GRAPHING CALCULATORS (NCGC 2008)

INTRODUCTION

Since 1997 the School of Mathematical Sciences, Universiti Sains Malaysia have taken several efforts to promote the use of graphing calculators (CAS and non-CAS) amongst students and educators in Malaysian universities and secondary schools through conferences and workshops. With the purpose of discussing new advances and examining various issues in pedagogy, assessment, and curriculum impacted by the incorporation of graphing calculators, the School of Mathematical Sciences, in collaboration with the Education Ministry of Malaysia and the Malaysian Mathematical Sciences Society, is organizing the 3rd National Conference on Graphing Calculators (NCGC) to be held from April 16 - 18, 2008 at The Grand Seasons Hotel, Kuala Lumpur.

OBJECTIVE

To provide a forum for educators in Malaysia to exchange ideas, to communicate and discuss issues in the use of graphing calculators in the teaching and learning of mathematics and science at all levels.

AREA OF FOCUS

Pedagogical Strategies, Assessment, Curriculum, and Professional Development for Teachers.

CALL FOR PAPERS

Papers should be written in English or Bahasa Malaysia. The first page contains the title, name and address of author(s), including e-mail address and an abstract. All papers will be published in the Conference Proceedings after being peer reviewed by the Editorial Panel. Papers should address the conference focus areas, reflecting upon trends, issues, concerns and consideration appropriate to science and mathematics teaching and learning at all levels. We welcome articles that inform instruction with graphing calculators at the secondary or tertiary level, and teachers are particularly encouraged to share ideas with colleagues.

To expedite publication of the conference proceedings, manuscripts must adhere to the following format:

- Please use MS Word
- Font type: Times New Roman
- Body text: 11 point, justified single-line spacing. Leave a line between paragraphs, as well as before and after a table or figure
- Margin: set on an A4 paper size
- Tables and figures must be properly captioned and numbered

Authors are advised to refer to the conference website at <http://math.usm.my/ncgc2008> or at <http://ict-education.com.my/events.asp> for specific guidelines and template in the preparation of their manuscripts. A soft copy of the submission template is also available from the Conference Secretariat.

Papers may be submitted via regular mail or as an attached MS Word file on an e-mail message to adam@cs.usm.my. The **deadline for submission** of papers is **January 15, 2008**. The Editorial Panel will announce its decision before January 31, 2008.

KEY PRESENTERS

1. Emeritus Prof. Dr. Peter Jones, Swinburne University of Technology, Victoria, Australia.
2. Dr. Sarah M. Davis, Assistant Professor, Learning Sciences & Technology Academic Group, National Institute of Education (NIE) Singapore.
3. Dr. Bernhard Kutzler, ACDCA, Linz, Austria.
4. Nicholas R. Jackiw, KCP Technologies, Inc., Emeryville, California USA - Creator of GSP.
5. Dr. Stephen Arnold, Head of the School of Education at the Australian Catholic University, Canberra
6. Prof. Dr. Noraini Idris, Dean, Faculty of Education, Universiti Malaya.
7. Dr. Pumadevi Sivasubramaniam, Department of Mathematics, Institut Perguruan Raja Melewar, Seremban.
8. Assoc. Prof. Dr. A.Rahman Omar, Universiti Pendidikan Sultan Idris, Resource Person for ASEAN Physics Education Network.
9. Dr. Kor Liew Kee, Faculty of IT & Quantitative Sciences, MARA University of Technology, Kedah.
10. Dr. Yue Kwok To, Vernier Asia, Hong Kong
11. Dr. Ng Wee Leng, National Institute of Education (NIE), Singapore.
12. Assoc. Prof. Mustafa Kamal, Universiti Teknologi Malaysia.

PAPERS PRESENTATION

There will be paper presentation sessions. Each speaker will be allocated 20 minutes for presentation followed by 10 minutes for discussion. The **deadline for submission** of papers is **January 15, 2008**. All speakers have to register for the conference. Please refer to the Call for Papers section for submission details.
